

# Help a neighbor in need this Christmas!

Secret Families of Hamilton County has been helping families in need since 2014. Our families come exclusively from local schools throughout the Hamilton County area.

On **December 12**, we will deliver families:

a fully-decorated tree,

presents for each family member

personal care items

a gift card to purchase Christmas dinner

a Bible

Last year we served  
38 families and 240  
individuals!

VOLUNTEER

Given the pandemic the need is greater than ever before, and this year **we are looking for small groups willing to sponsor a family**. We have partnered with a website that allows groups to easily create their own fundraising page and raise money to sponsor one or more families as a team. It is a great way for small groups to **make an impact locally** and it is very easy to do.
